2017-2018 KIDS Planned Changes

Introduction

This document outlines the updates and changes to be made to the KIDS Collection System for 2017-2018. Fields are being added and removed resulting in renumbering of many of the data fields. This document references the new 2017-2018 field reference numbering. A conversion chart has been provided and can be found in Appendix A. All other Appendixes are located in the KIDS 2017-2018 File Specification Document.

Modifications to KIDS for 2017-2018 are made because of changes in requirements due to the passing of Every Student Succeeds Act (ESSA), bills passed by the Kansas legislature, and to fulfill the vision of the Kansas State Board of Education.
