MILT Collection Overview

The W's

The W's

Who submits MILT Data?

- Funding School – of military dependent students, schools, or districts
- Not for Accredited Private Schools

Who to submit?

- Grades Pre-K-12
 - Dependents of active, full-time military personnel
 - Enrolled and attending on Feb. 20, 2018, and not included in the Sep. 20, 2017 district count
 - Submit either enrolled and attending Feb 20 or only those meeting “child of military family” definition
 - Submitting in all “Child of Military” students may include Sep 20 count students, but will not result in error

The W's

Why is MILT Collected?

- Gathers student enrollment data for districts whose student population increases after the September 20 (ENRL) funding count due to military movement.
 - Excluding virtual students

The W's

What is MILT Data used for?

- Determines if a district is eligible for additional funding due to military movement since Sep 20

The W's

When is MILT Collected?

- February 20 – March 9, 2018
- Data should be current as of February 20, 2018

Early Learning Information

- **Early Learning Participant** (Required for students in grades 00-04)
 - This data creates awareness of students being served in early learning programs
 - This field indicates if the student participates or participated in a district sponsored pre-K program (i.e. such as Head Start, a district childcare center, Peer Model/Mentor, or other program), but **not** Kansas Parent Education Program
- **Kansas Parent Education Program Participant (formerly Parents as Teachers Program)**
 - This data creates awareness of students being served in a specific family program
 - Indicates if the child's family participates or participated in the Kansas Parent Education Program

MILT Details

School Entry Date

- Should be based on date student entered the Funding School

Eligibility for National School Lunch Program:

- Community Eligibility Provision (CEP) schools should report students eligible for free or reduced lunch based on Direct Certification or on the State At-Risk application
- State At-Risk application is verified during auditing process
- NonCEP schools = no change in reporting data
- CEP schools do NOT report 100% as the field collects a student's eligibility, only not how pays

MILT Details

Definition of Military Personnel

- “a person who is a dependent of a full-time, active- duty member of the military service,
- or a dependent of a member of any of the US military reserve forces who has been ordered to active duty.”

Weighted Funding

- February 20 count is treated like the September 20 count for enrollment purposes; includes all weighted items (i.e. vocational, bilingual, and transportation)

MILT Details

Military Attendance Requirements

- A student (Child of Military Family) must be enrolled and attending on February 20
- If absent on February 20, then attendance must be on or after February 1 and once after February 20 but on or before March 4.

Military Funding Eligibility Criteria

- Districts meeting increased enrollment of 25 FTE military dependent students or increase of military dependent students equal to 1% or more of the district's total September 20FTE
- District's enrollment count for funding is increased by the number of military dependent students enrolled and attending on February 20, 2018 not counted on the September 20
- Refer to "Student of Military Families—District Eligibility for Additional Funding" Report

MILT Details

FTE vs. Headcount

- The 25 student increase and military student enrollment increase of 1% or more above September 20 enrollment is based on FTE only

Career and Technical Education Contact Minutes

- Report minutes a student received instruction in an approved for funding CTE course or State approved course on February 20
- Not approved CTE courses through a post-secondary institution
- Concurrent enrollment CTE courses are not included in the funding calculations

MILT Details

Miles Transported

- Report all students transported at the district's expense
- Report miles transported even if under 2.5 miles or from outside the district
- Students 2.5 miles or greater should fill in the Student's Transportation Street Address and Student's Transportation City
- Seats or an alternate transportation modes must be provided for each student counted on the transportation list
 - Applies to Miles Transported and Transportation FTE
 - Students do not have to actually ride the bus, but opportunity must be available

MILT Details

Miles Transported

- Students enrolled in public and private schools - counted for same FTE on bus transportation report as enrollment is counted in the public school
- Kindergarten students - counted as 1.0 FTE for transportation to and from attendance center at the district's expense, or if parent reimbursement provided

MILT Details

Miles Transported

- Student transported by SpEd and regular transportation - on February 20; one way by each are claimed 0.5 on regular route and claimed on SpEd transportation Form 308 (actual costs are kept for the other half of trip)
- Technical school or community college transportation - Do not include

MILT Details

Non-resident Transportation

- 2.5 miles or greater - Parent/legal guardian of a pupil, who lives 2.5 plus miles from normal attendance center within their resident district, may apply to education board of receiving school district for transportation to be furnished
