

SO66 Reports

Report Name: Juvenile Detention Center Students

Report Description: This report shows all students submitted with a value of “0003” in the Funding School, an accredited building in the district as the Accountability School, and the building code for the Juvenile Detention Center as the Attendance School. This populates the Juvenile Detention Center Student field on the Headcount and Enrollment at a Glance page of the SO66.

KIDS Record Type: ENRL

Update/ Refresh Cycle: Automatic

Report Name: Out of State Students

Report Description: This report shows the data from students with a 2-letter State code entered in field Residence District Identifier in KIDS. This data is used to populate the Out-of-State Students field on the Headcount and Enrollment at a Glance page of the Superintendent’s Organizational Report.

KIDS Record Type: ENRL

Update/ Refresh Cycle: Automatic

Report Name: SO66 Transported Students

Report Description: This report shows the data from the transportation fields in KIDS that is used to populate the Headcount and Enrollment at a Glance Table of the Superintendent’s Organizational Report. Students who are marked as a “1” or a “3” on Virtual Student do not count for transportation funding and will not be included on the Headcount and Enrollment at a Glance screen in the SO66.

KIDS Record Type: ENRL

Update/ Refresh Cycle: Automatic

Report Name: SO66 Non-Resident Students

Report Description: This report shows the data from field Residence District Identifier in KIDS that is used to populate the Non-Resident student field of the Headcount and Enrollment at a Glance page of the Superintendent’s Organizational Report. Students who reside outside the district are listed.

KIDS Record Type: ENRL
