KCAN Processes and Guidance

The list of recommendations, notes, and submission tips below apply to the KCAN Record. In working with the KIDS Collection System, many circumstances apply only to the record you are submitting. How one data element is reported may change for other submissions from the recommendations appearing below.

KCAN Course Records:

Determining “Unique” Course Records: Records are unique by set:

- F2: Student’s School Identifier
- F12: State Student Identifier
- F13: School Year
- F18: Term
- F19: KCC Identifier
- F20: Course Section
- F21: Local Course ID

The most recently submitted record for each complete set of fields above will be considered the “current” information for that student and course. Records are considered unique not by one data element but by the set of data elements listed above.

For Certificates (where F19: KCC ID = Certificate):

- F2: Student’s School Identifier
- F12: State Student Identifier
- F13: School Year
- F18: Term
- F19: KCC Identifier
- F26: CTE Certification Earned

For Migrant Students receiving Summer services (where F19: KCC ID = MigrantServices)

Reporting Summer School Outcomes: Course outcomes for summer school courses taken during the 2019 summer school session (through July 31, 2019) are required to be submitted on KCAN records with the School Year = '2019.' Summer school courses that end after July 31, 2019 should be reported in the 2019-2020 KCAN collection.

Letter Grade and Percent Grade: The Letter Grade must be reported on all KCAN records when '01' = Completed (Pass) or '02' = Completed (Fail) is indicated in Course Status. The Percent Grade may be submitted, but it is not required. The Letter Grade field is not tied to a specific rating scale. The Percent Grade field is based on a 0-100 scale but is not tied to a specific pass/fail cutoff value. The Course Status field will indicate whether the value reported in the Letter Grade and/or Percent Grade field relates to passing or failing of the course.

KCAN Populations to Report: Best Practice and Recommendations

Migrant Students: Migrant students are those identified by your district Migrant Coordinator. Course information reported on KCAN records will be used to populate the State and Federal Migrant systems. KCAN records for Migrant students need to be submitted for:

- Course enrollments for all courses the identified migrant student is enrolled in at the school
- Course outcomes for all completed courses
- Grade to date for courses exited before the course is completed when the student leaves the building
- MigrantServices provided during the Summer term

***It is critical to enter the grades as soon as possible after the student leaves.**

- For a migrant student who leaves prior to the end of a term, a KCAN must be submitted within two days of departure, to meet the four-day federal reporting regulations.
- For a migrant student who finishes a course and remains for the next term, a KCAN must be submitted within 30 days of the end of the term.

KCAN records for Migrant students should include the following data:

F16: Migrant Student is a required field: '01' = Yes

*If a student at any time during the school year is considered a "migrant student," they should be reported as a '01' for the remainder of that school year.

F22: Course Status Allowable Values (Required)

- '00' = Enrolled (Migrant Only)
- '01' = Completed (Pass)
- '02' = Completed (Fail)
- '04' = Exited before course completion (Migrant Only)
- '80' = Migrant Services (Migrant Only)
- '90' = Certificate Earned
- '99' = Record Submitted in Error

F23: Letter Grade for Migrant student courses is required for the following Course Statuses (F22)

- '01' = Completed (Pass)—Required—Must contain a non-blank value
- '02' = Completed (Fail)—Required—Must contain a non-blank value
- '04' = Exited before course completion—Required—Must contain a non-blank value

F32: First Instruction Date: The first day of migrant student instruction for the current term (F18) is required.

F33: Last Instruction Date: The last day of migrant student instruction for the current term (F18) is required when reporting these course statuses:

- '01' = Completed (Pass)
- '02' = Completed (Fail)
- '04' = Exited before course completion

F34: Instructional Minutes Completed: The number of minutes completed by a migrant student for each course upon exit is required when reporting this course status:

- '04' = Exited before course completion

Scenario: A Migrant student enrolls in your district at the start of the school year.

A KCAN record for this student should be submitted to indicate the student's course enrollments. To reflect that this is an enrolled course you would use a '00' = enrolled in F22: Course Status.

The following information will also need to be submitted on this students KCAN record:

- **F32: First Instruction Date**—This is the first date the student received instruction in this course in the current term (F18).

Career and Technical Education (CTE) Courses: Course outcomes for students in a Pathway should be submitted via a KCAN Record to KIDS Collection by 6/15/2020 to be populated into the Pathways system. The KCAN Record must be for the same building as the CTE Pathway was approved for in the Career Pathway Program of Study Application.

Submit only CTE courses where the KCC Identifier ends in F, C, L, and X.

F17: Student is a Single Parent: Students enrolled in CTE Pathways who meet the criteria to be considered a single parent must be identified for federal reporting of CTE students. A student is a single parent if the individual is unmarried or legally separated and have custody or joint custody of one or more minor children. This group includes teenagers or women who are pregnant.

Submit single parent information for only CTE courses where the KCC Identifier ends in F, C, L, and X. This information will populate the Pathways application.

Dual Credit Courses: Students earning credit in both high school and college for a course should be reported in the KCAN collection.

Submit only CTE courses where the KCC Identifier ends in C, D, L, or R.

F17: Student is a Single Parent: Students enrolled in Dual Credit course who meet the criteria to be considered a single parent must be identified for federal reporting of CTE students. A student is a single parent if the individual is unmarried or legally separated and have custody or joint custody of one or more minor children. This group includes teenagers or women who are pregnant.

Submit only Dual Credit courses where the KCC Identifier ends in C or L.

F19: KCC Identifier: The unique identifier given to each course the district has mapped in the Kansas Course Code Management System (KCCMS). This identifier includes all the course attributes indicated for the individual course during the mapping process in KCCMS. If this is a course where students enrolled will not all receive college credit this course should have two separate KCC Identifiers. One for dual credit and one that is not for dual credit.

F28: College Credit Earned: The number of college credits earned for the dual credit course.

Submit only CTE courses where the KCC Identifier ends in C, D, L, or R.

CTE Certifications Earned: Any certifications earned under Excel in CTE (2012 SB155) must be submitted by May 19, 2019 to be included in the list to receive the funding this year. All other certifications may be submitted at any time during the submission window.

F19: KCC ID: field will contain the word 'Certificate'

F20: Course Section: field will contain the word 'Certificate'

F21: Local Course ID: field will contain the word 'Certificate'

F22: Course Status: will be '90' = Certificate Earned

F29: CTE Certification Earned

F30: Date Earned: The date on which the student earned the certification meaning the student has the Certificate in hand. This field is required if F19: KCC ID is 'Certificate'.

F31: Graduation Year: The school year during which the student has or will graduate from high school. For example, if it is the 2019-2020 school year, enter 2019. This field is required if F19: KCC ID is 'Certificate'.

MigrantServices (summer school): Any migrant student who receives services during the summer school term must be submitted from June 1, 2020 – September 8, 2020.

F19: KCC ID: field will contain the word 'MigrantServices'

F20: Course Section: field will contain the word 'MigrantServices'

F21: Local Course ID: field will contain the word 'MigrantServices'

F22: Course Status: will be '80' = Received Services (Migrant only)

Virtual Education Students 19 and Over: Course outcomes reported on KCAN records will be used to verify completion of course credits which fund virtual students who are 19 or over.

F15: Virtual Education Student: KCAN records submitted with course outcomes earned at a virtual school or program should be submitted with a '1' in this field. Course Outcomes not earned through an approved virtual school or program should always report '0' in this field, even if the student was virtual in another school. If the approved virtual program uses the same building number as a traditional program, then the credit earned through the virtual program would be marked with a '1', and the credit earned through the traditional program would be reported with a '0' in F15.

History/Government Assessment (Pilot):

- Grades 6th, 8th, and 11th
- D73 : History/Gov Assessment must have indicated with a 2 = General Assessment
- Will not be administered through KITE. This assessment will be for districts that volunteered to be a part of the Pilot

 - 03 = Student scored at performance level 3
 - 04 = Student scored at performance level 4

KIDS Reports

Reports are provided in the KIDS Collection System for review and verification of submitted KCAN data. Although data can also be shared by exporting the appropriate KIDS reports to Excel, KIDS users can share detailed data with the principals, superintendents and program staff by encouraging them to register for Read-Only access to the KIDS Collection System. Read-Only access is recommended since reports are dynamic and may change if additional KCAN Records are submitted to KIDS after the export of reports.

The detailed descriptions of each report available in the KIDS Collection System may be found on the [KIDS Project Report Descriptions](#) website. The following reports are particularly important to KCAN submissions:

Standard Reports:

- Accepted Records (Batch)
- Accepted Records by Type - KCAN

KCAN:

- Current KCAN Records
- Current Year Credit by Student Report
- Virtual 19 and Over KCAN Records Report
