KIDS 2020-2021 Submission Details Document: ENRL

Introduction - General

This document contains information specific to the submission of ENRL records to the Kansas Individual Data on Students (KIDS) Collection System for the funding and enrollment collection. The ENRL Collection focuses on gathering enrollment and program participation information on students.

Submitting the ENRL record provides funding for schools and districts based on student population needs and the number of minutes a student is enrolled at a school on the September 20 count day.
