Planned Changes

Introduction

This document outlines the updates and changes to be made to the KIDS Collection System for 2020-2021 SY. Fields are being added and removed resulting in renumbering of many of the data fields.

Modifications to KIDS for 2020-2021 SY are made because of changes in requirements due to the passing of Every Student Succeeds Act (ESSA), bills passed by the Kansas legislature, and to fulfill the vision of the Kansas State Board of Education.

KIDS Collection File Specification Updates

Added New Data Fields

- D43: Language Instruction Education Program Type.
- D60: Dyslexia Screener.
- D61: Dyslexia Subtest.
- D62: Dyslexia Spring Benchmark Performance Level.
- D90: Individual Plan of Study (IPS).

A new Federal guideline requires KSDE to show what type of Language Education Program the student is receiving.

D43: Language Instruction Education Program Type – new field

						Detail Record Layout for ENRL, TEST, EOYA, EXIT, ASGT, QERY, MILT, and SMSC (District/School SIS Collection Export File)
AQ	D43	Language Instruction Education Program Type	2	Alphanumeric	ENRL	The type of English Language Instruction Education Program the student is receiving. Allowable values • 00 = NOT AN ESOL Student. • 01 = Transitional Bilingual Education or Early-Exit Bilingual Education - This program, also known as early-exit bilingual education, utilizes a student's primary language in instruction. The program maintains and develops skills in the primary language and culture while introducing, maintaining, and developing skills in English. The primary purpose of a TBE program is to facilitate the EL student's transition to an all English instructional program while receiving academic subject instruction in the native language to the extent necessary. • 02 = Dual Language or Two-way Immersion - Also known as two-way or developmental, the goal of these bilingual programs is for students to develop language proficiency in two languages by receiving instruction in English and another language in a classroom that is usually comprised of half native English speakers and half native speakers of the other language. • 03 = ESL or ELD - A program of techniques, methodology and special curriculum designed to teach EL students English language skills, which may include listening, speaking, reading, writing, study skills, content vocabulary, and cultural orientation. ESL instruction is usually in English with little use of native language. • 04 = Content Classes with integrated ESL support - This approach makes use of instructional materials, learning tasks, and classroom techniques from academic content areas as the vehicle for developing language, content, cognitive and study skills. English is used as the medium of instruction. • 05 = Newcomer programs - Newcomer programs are separate, relatively self-contained educational interventions designed to meet the academic and transitional needs of newly arrived immigrants. Typically, students attend these programs before they enter more traditional interventions (e.g., English language development programs or mainstream classrooms with supplemental ESL instruction).

						Detail Record Layout for ENRL, TEST, EOYA, EXIT, ASGT, QERY, MILT, and SMSC (District/School SIS Collection Export File)
AQ	D43	Language Instruction Education Program Type	2	Alphanumeric	ENRL	• 06 = Maintenance Bilingual Education (MBE): MBE, also referred to as late-exit bilingual education, is a program that uses two languages, the student's primary language and English, as a means of instruction. The instruction builds upon the student's primary language skills and develops and expands the English language skills of each student to enable him or her to achieve proficiency in both languages, while providing access to the content areas. • 07 = Sheltered English Instruction: An instructional approach used to make academic instruction in English understandable to EL students. In the sheltered classroom, teachers use physical activities, visual aids, and the environment to teach vocabulary for concept development in mathematics, science, social studies, and other subjects. • 08 = Submersion Program: A submersion program places EL students in a regular English-only program with little or no support services on the theory that they will pick up English naturally. This program should not be confused with a structured English immersion program. **Note:** Pick the program that the child receives the most time in during the week

Header Record Layout
H5: Version

J	D10	Current Grade Level	2	Alphanumeric	All	The grade level or primary instructional level at which a student enters and receives services in a school or an educational institution during a given academic session.

3-Yr-Old and 4-Yr-Old Preschoolers can be sent as one grade level, using "01" as the grade level, if the district does not have the group separated in its SIS. It is important to keep 5-Yr-Old Preschooler in its separate grade level, since funding is different for this group.

Grade level "02" is for students who are four years old *on or before August 31* of the current school year who do not meet the at-risk criteria for the Preschool-Aged At-Risk program and/or have an IEP for a disability. If a 4-year-old student both meets the at-risk criteria for the Preschool-Aged At-Risk program and has an IEP for a disability they should be reported as "02".

Grade level "33" is for students who are three years old *on or before August 31* of the current school year and who meet the at-risk criteria for the Preschool-Aged At-Risk program and do not have an IEP for a disability.

Grade level "04" is for students who are four years old *on or before August 31* of the current school year and who meet the at-risk criteria for the Preschool-Aged At-Risk program and do not have an IEP for a disability.

The "Not Graded" code applies to students who are adults. Note: an "adult" student is defined as either a general education student who is over the age of 18 and whose 5-year cohort (beginning his/her freshman year) has graduated, or any student over the age of 21. Students, age 22 and older as of 10/01/2020, must be submitted as grade level '18'.

All students, including those with disabilities, should be coded according to credits earned unless the criteria for "Not Graded" mentioned above apply.

Any absence by a student for any reason (e.g. illness, suspension, parent permission), regardless of whether the absences are excused or unexcused should not be included in the number of days attended. Students will be included in federal reporting of chronic absenteeism if the student missed 10% of the school days in which they were enrolled in the school. Count them in attendance for every day they attend their half-day program. Cannot be greater than 366. **Note:** Part-time students should be marked as a full day of attendance, if they were present for all of their scheduled time of education. *i.e.* If a senior is only scheduled for morning classes and was there for all of his classes then mark his/her attendance as1 for that day.
